Re: United States v. Elizabeth McCaskill
18 Cr. 612 (WHP)

Your Honor

I write to request an adjournment of Elizabeth McCaskill's sentence which is currently scheduled for March 27, 2020. Ms. McCaskill lives in South Carolina in a household that currently has several sick children. It is not advisable for her to travel as she herself may become ill. In this time of increasing public health risk, it is unclear when it will be safe for people to travel by air. Therefore I am asking for a two month adjournment of Ms. McCaskill's case.

The government, by Sarah Krissoff, Esq., consents to this request. Therefore, I request that the sentence be adjourned to a date in the end of May, 2020.

Respectfully,
Lisa Scolari

Application granted. Sentencing
adjourned to May 27, 2020 at 2:30 p.m.
